Eligibility: Full time student, must have financial need as determined by UA's Financial aid Office, must have a high school GPA of 3.0 or better, and must agree to participate in four (4) Rotary activities during the school year. Preference will be given to students who have demonstrated a passion for community service and have demonstrated leadership skills through extracurricular activities.

Due Date: Applications may be submitted up to and including **30 May 2019**. After 30 May applications will not be accepted.

Introduction: This scholarship stems from the generosity of the women and men of the Rotary Club of Tucson, one of more than 33,000 Rotary Clubs in the world, following a 65+ year history of providing financial support for the college education of Tucson's young people. This scholarship of \$2000/semester is only available to qualifying students enrolled full time at the University of Arizona. This scholarship program allows annual reapplication to the University of Arizona for up to 3 additional years subject to Rotary's discretion, the student's maintaining a 3.0 GPA, the student's financial need, meeting our residency requirements, and meeting our Rotary participation requirements.

Obligation to Participate: I understand that this scholarship offer is made for my next year at the University of Arizona. If selected, I agree and commit to participating in the following: I will attend a minimum of two (2) Rotary Club of Tucson meetings, two (2) Rotary Club of Tucson community service events, and two (2) University of Arizona Rotaract Club meetings during this school year. [Note: Rotaract is a student club whose purpose is fellowship and community service. Membership in Rotaract is not required to attend the Rotaract meetings.]

Financial Need: It is the Rotary Club of Tucson's intent to award scholarships to students with financial need. Therefore, each applicant must complete and submit to the University of Arizona a Free Application for Federal Student Aid (FAFSA) form. These forms will be evaluated by the school's Financial Aid Office and the results will be used by the Rotary Club of Tucson as part of the scholarship selection criteria. Students must give authorization for the University of Arizona to release their FAFSA information to third-party organizations. This authorization can be completed on UAccess Student Center under Financial Aid in the Finances section or under your To Do List items.

Interview: Award of this scholarship **may** be contingent upon Rotary's face-to-face interview with the applicant. Following review of submitted applications, the Rotary club of Tucson Scholarship Committee may interview finalists, in which case the applicants will be notified as to time and place to meet. The purpose of the interview will be to better assess applicants' qualifications, clarify any questions the students may have, and to convey to the applicants something about the ideals of Rotary.
